About Raj Ganapati Group

Our History

Raj Ganapati Group journey in the civil constriction market more than 40 years back. Having delivered successful residential projects in Kolkata one after another, we have created a space for ourselves in this competitive industry. We are a real estate agency that takes pride in delivering top quality residential projects in India. In our career span of ten years, we have worked with almost all the top real estate developers. The key success is ensuring the quality of our projects and building trust with our customers. The main motto of is to accentuate the beauty of life and enhance the quality of living. This reflects in the Group's evolving, premium and world-class real estate projects across Kolkata, Howrah, Asansol, Durgapur, Dhanbad, Tatanagar, Agartala. The Group believes that in today's fast-paced life, the beauty of life is manifested in moments and precious time spent in quiet, tranquillity and peace in the company of loved ones. From the very beginning, has been thoroughly dedicated to locate and the best properties in and around above cities that fetch the maximum ROI for investors. All the premium properties that are delivered have been thoroughly checked and evaluated so that they bring the best results for the investors.

The team at believes in maintaining the highest levels of honesty and integrity in whatever they do. They always keep their deals completely transparent for their clients so that they do not have any doubts or confusions regarding any aspect of the process. By helping people to find the best property in many major cities in India that can serve as their dream home, has brought happiness to many of clients already. This has made one of the most front running real estate solutions providers that the people can rely on.
